OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

MEMORANDUM

Date: June 17, 2014

Subject: CuVerro III and Associated Fabricated Products

PC Code: 022501

DP Barcode: 419454

EPA Reg. No.: 85353-3

Case No.: 4025

Document Type: Acute Toxicity Review

CAS No.: 7440-50-8

MRID Nos.: 46999302

40 CFR: 158.500

From: Jolene Trujillo, Biologist
Risk Management and Implementation Branch V (7508P)
Pesticide Re-evaluation Division

To: Bonnie Adler, CRM
Risk Management and Implementation Branch V (7508P)
Pesticide Re-evaluation Division

Applicant: Global Brass and Copper, Inc.
427 North Shamrock St.
East Alton, Illinois 62024

Formulation from Label:

	<u>% by wt.</u>
<u>Active Ingredient(s):</u>	
Copper.....	82.6%
<u>Other Ingredient(s):</u>	<u>17.4%</u>
Total	100.0%

BACKGROUND: In the 8 month response to the Coppers RED, the registrant has submitted a waiver request for all six acute toxicity studies to support the reregistration of their product, EPA Reg. No. 85353-3. The MRID No. is 46999302. This waiver was previously reviewed by CTT/PSB/AD on September 20, 2007 under Reg. No. 82012-3 and found acceptable. PRD agrees with the findings of that review.

RECOMMENDATIONS:

- The acute toxicity waiver is acceptable to support the reregistration of EPA Reg. No. 85353-3.

The acute toxicity profile for EPA Reg. No. 85353-3 is currently:

Acute Oral	IV	Waived
Acute Dermal	IV	Waived
Acute Inhalation	IV	Waived
Primary Eye	IV	Waived
Primary Dermal	IV	Waived
Skin Sensitization	non sensitizer	Waived

NOTE: The acute toxicity requirements have been satisfied for the subject product.

LABELING:

ID #: EPA Reg. No.: 85353-3 / CuVerro III and Associated Fabricated Products

SIGNAL WORD: CAUTION*

FIRST AID:*

IF SWALLOWED: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-xxx-xxxx for emergency medical treatment information.

* Since product is a category four (4) for all routes and a non sensitizer, signal word and first aid statements are not required. However, if the registrant chooses to include those, they should appear as above.
